Dear Friend:

Our new Tropical straws by Portis are cooler to wear than a bare head!

These miracles of comfort have been woven from all sorts of tropical grasses, reeds and split palm leaves... Yes - even from the grass skirts of the Hula girls!

They've been fashioned into sporty broad-brimmed models you'll enjoy wearing... and so porous you can feel every breeze through them!

As featured in Collier's and Esquire
Most styles $1.95 and $2.95.
